## EXPERIENCE

- **Lecturer at Lincoln College of Science Management and Technology: 2022-Date**

I have thrived in the dynamic realm of education as a lecturer, where I honed my ability to communicate complex concepts to diverse audiences. The experience sharpened my presentation and interpersonal skills and also fostered a deep understanding of people needs and challenges. Building upon this foundation, as lecturer of information technology, I worked and teach programming classes using different programming languages. Being a lecturer has instilled in me a keen awareness of user experience, enabling me to contribute meaningfully to the design and implementation of software applications.

- **Admissions officer: 2022-Date**

I worked in the admission unit at Lincoln University to provide admission counseling and guidance to Undergraduate and Postgraduate students, where I managed a number of PhD and MSc students.

- **Community Service: 2019**

I have volunteered as community service to feed less privileged individuals at Bukit Bintag area of Kuala Lumpur, Malaysia.

- **International Conference: 2019**

I participated in the international conference on Data Management, Analytics and innovation (ICDMAI-2019) organized by Lincoln University College, Malaysia. Where I learned greatly, the techniques of data management and innovation.
